DIOCESE OF ROCHESTER PERMANENT DIACONATE:

The deacon is a man of faith, who is called from the community that already recognizes his dedication to service. He makes a lifetime commitment to serving the People of God by proclaiming the Word, assisting and presiding at liturgies, and ministering in the areas of charity and social justice. A deacon gives witness to his availability to the community by addressing present and emerging needs of the Church. The Diocese is inviting interested men of strong and active faith, who can demonstrate a record of service in the communities in which they live, work and worship, who may wish to explore a possible call to ordained ministry as a permanent deacon, to first speak with their pastor for an initial conversation. They may also contact Deacon Edward Giblin, Director of the Office of the Permanent Diaconate, at edward.giblin@dor.org, for additional information. A potential candidate must be at least 35 years of age and no older than 62 years of age at the time of ordination after a five (5) year period of formation. He must be in good health, emotionally mature, have stable relationships and must have the wholehearted support of his wife (if married) and family to enter the phase of inquiry. Because the parish is the primary experience of Church for most inquirers, the parish community is asked as well to invite from among its members men who exhibit strong faith and a spirit of service, and to encourage them to consider a possible vocation to the permanent diaconate. The Diocese anticipates that the next formation class will begin in Fall 2027, with the application process beginning in early 2027.
