World Mission Sunday 2024

TODAY IS WORLD MISSION SUNDAY.

We celebrate this day by remembering our baptismal call – to bring the Gospel to all! The collection today for the Society of the Propagation of the Faith supports the work and witness of the Mission Church, as it provides for priests, religious and lay leaders who **offer the Lord's mercy and concrete help to the most vulnerable communities in the Pope's missions.**

Thank you for your generosity.

New York State's Catholic Bishops have voiced their opposition to Proposal One known as the Equal Rights Amendment. Bishop Matano calls it "a wolf in sheep's clothing", urging Catholics to vote against it. "The title suggests a noble cause, as all children of God should be treated equally under law. However this proposed amendment to state Constitution is broadly written and could have dangerous consequences if enacted, which is why we oppose it and urge you to vote no," the bishops wrote.

According to the bishops, the broad language used in the amendment includes age as a protected class, which could cause parents rights to be stripped away and, if approved, the amendment would permanently legalize abortion without restriction up until the moment of birth in New York.

St. John Vianney Parish Census

Our St. John Vianney Parish, along with all other parishes in the Diocese, is conducting a parish-wide census. The goal is to ensure all households have updated contact information, specifically email addresses and phone numbers to enhance pastoral care, stewardship, and communication. You are urged to participate in this update.

There will be many opportunities to participate in the parish census:

Online: Emails will be sent inviting your household to submit your details digitally, which is the most efficient way to participate.

During Mass: This weekend, October 19th & 20th, we will provide in-pew, step-by-step instructions on how to complete the census form.

Bulletin: After the week following our in-pew census, we will be inserting paper copies of the census in the bulletin.

If you have any questions call the parish office at (607) 776-3327 or email census@dor.org.

Why is our parish conducting a census? The purpose is to gather precise and current data on all registered parishioners to strengthen pastoral care, stewardship, and communication efforts.

Do I still need to complete the census if my information has not changed? Yes. Everyone is asked to participate in the census to ensure that our database is up-to-date and accurate.

How will my information be utilized or managed? All information will be handled with the utmost confidentiality. The data collected will be used solely for pastoral, stewardship, and communication purposes.

I have already completed the census form online, do I still need to fill out an in-pew census card? Yes. There is a place on the census card to indicate that you have already completed the form online.

How do I complete the census if I have not received an email? Contact the parish office to confirm we have your email address. Alternatively, you can complete the census by using the following QR Code:
